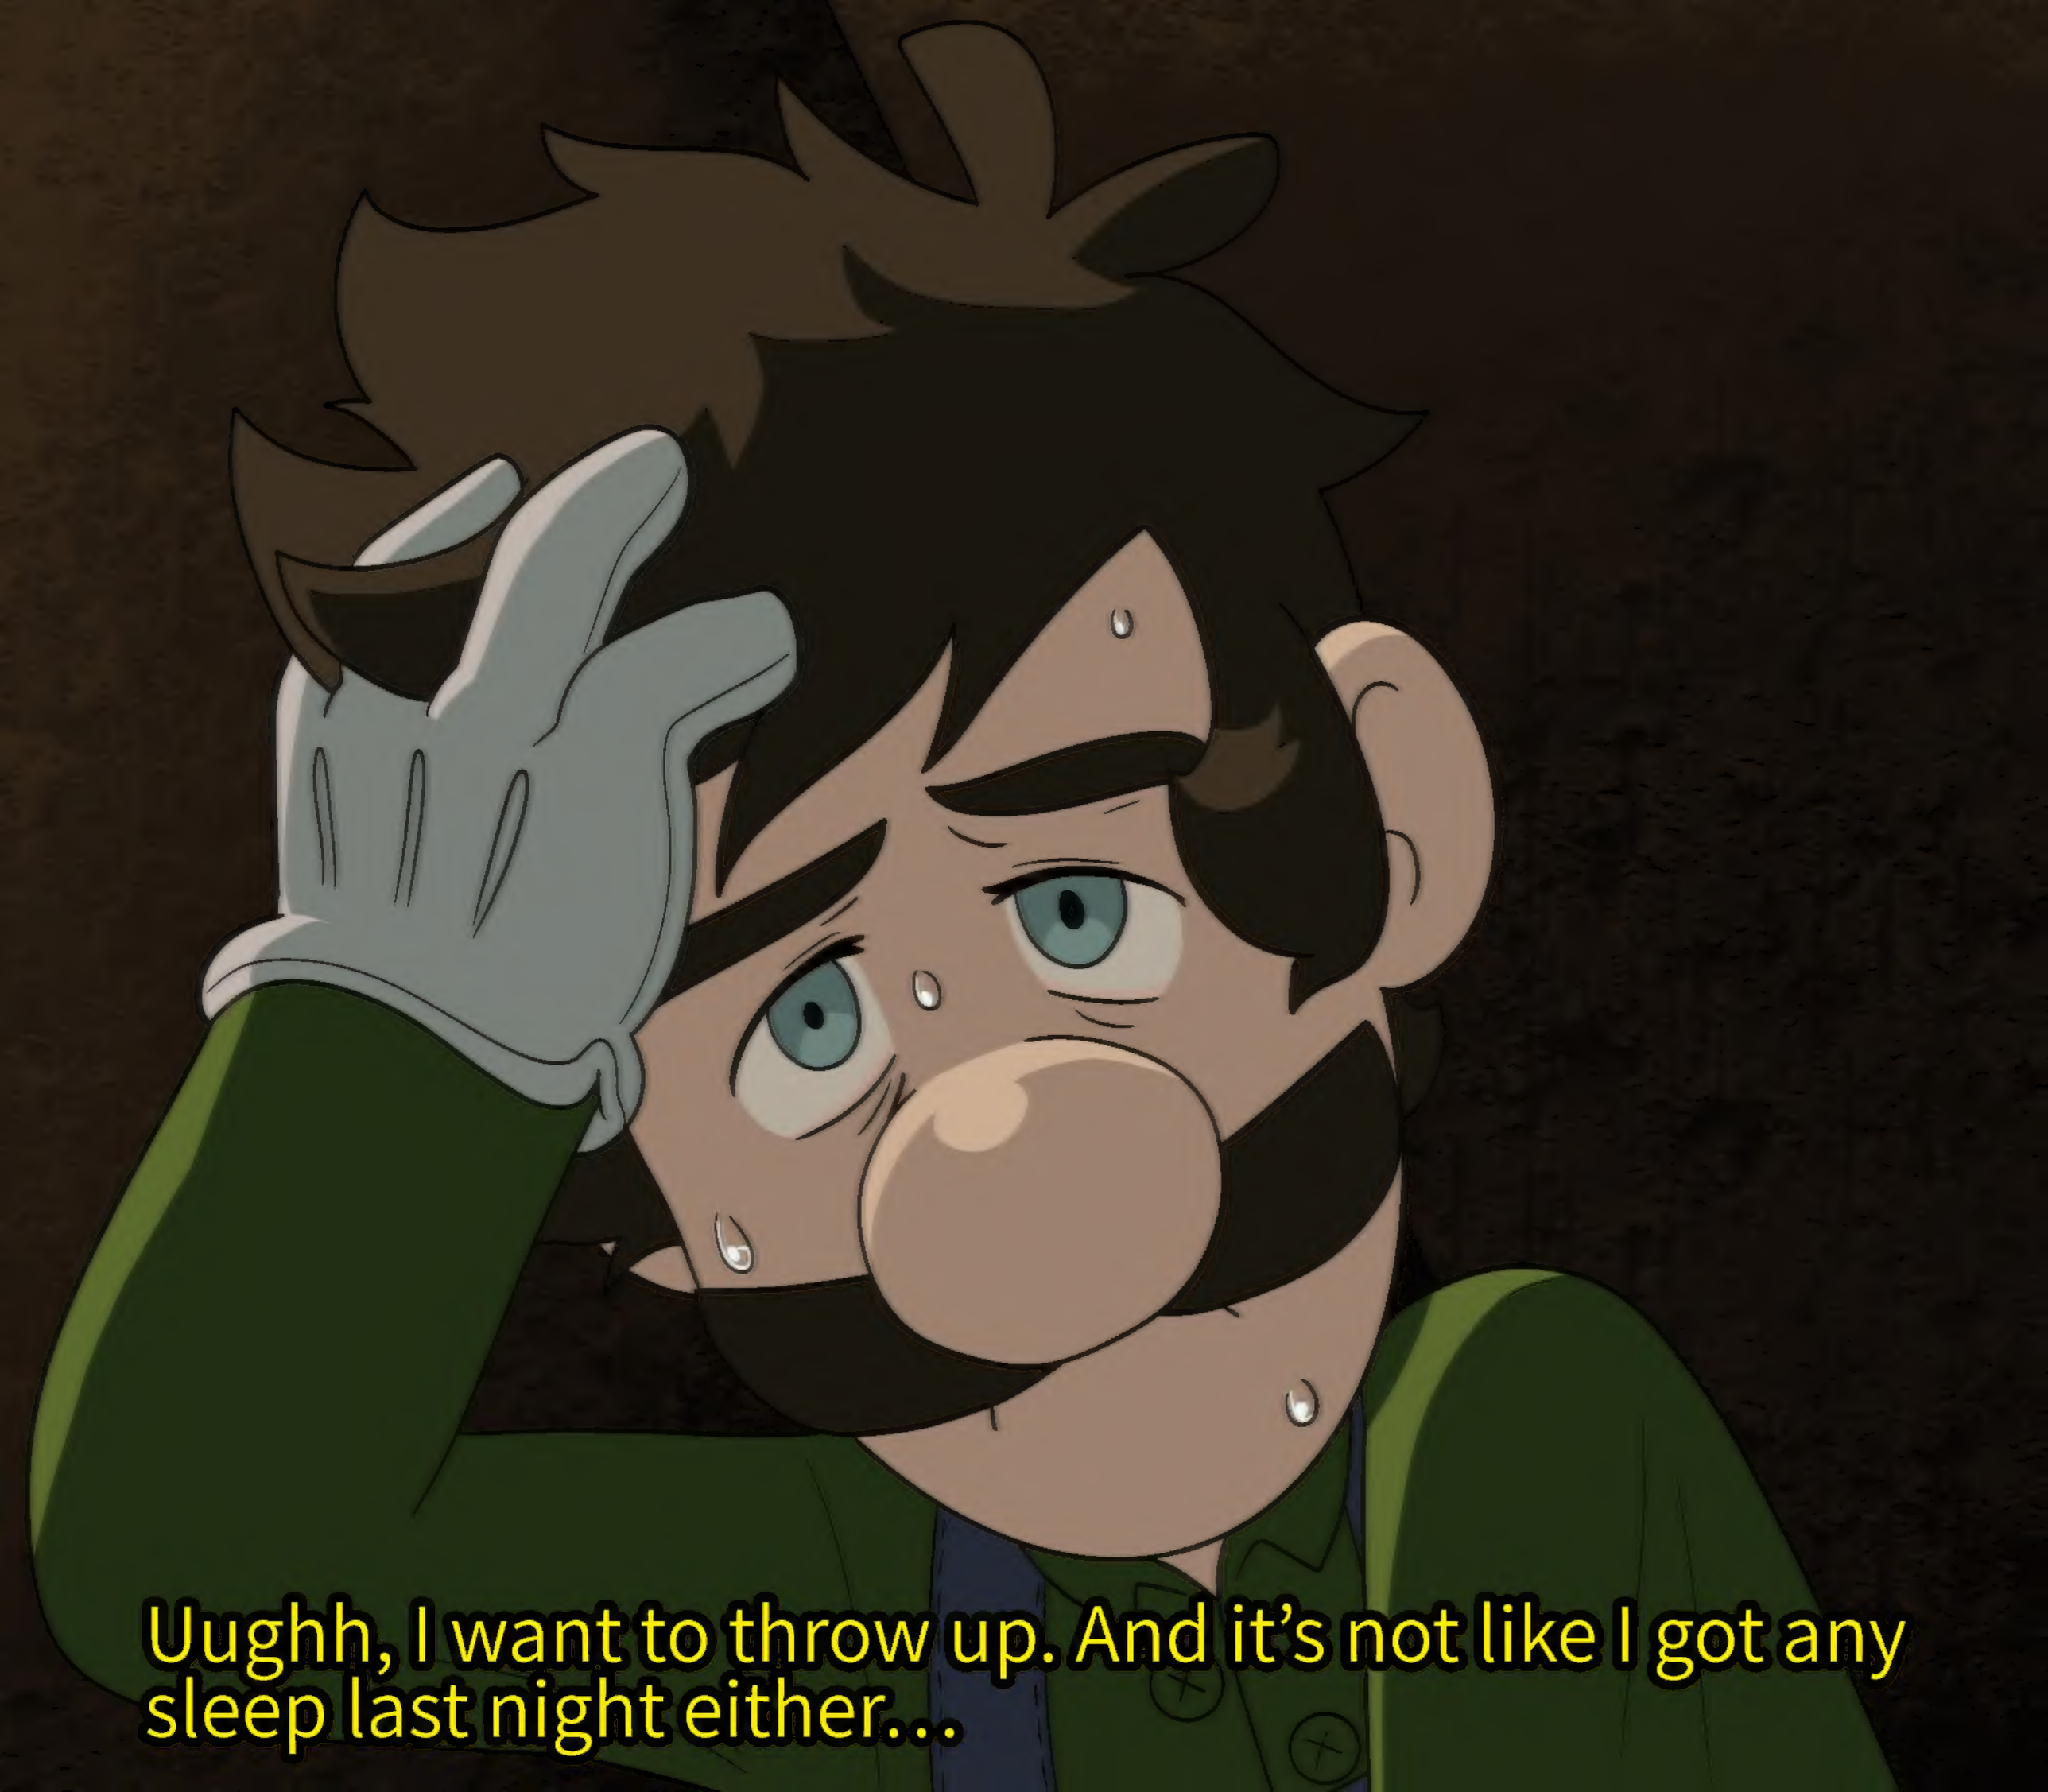
LL: Weegee!

T: Woah woah are you okay? What's wrong?



Uughh, I want to throw up. And it’s not like I got any sleep last night either…

Also sounds like you’re dehydrated…

LL: Natural selection.

TOAD: ?!?!?!?!

Lumalee...that was a little nihilistic of you...

Come on, Weegee Apple Skin! Unless ya want to get caught and electrocuted by that mean old Koopa!

Or maybe he’ll make those scary masked people poke you with a sharp stick over and over. Or maybe have your cage lower than the others for trying to escape multiple times!

LUIGI: Star Child?

LL: You were looking for a Star child, huh? Well you thought WRONG, you crusty old Koopa-

LUIGI: Star Child, please talk to me. What did Kamek do to you-

I AM NOT A STAR CHILD, I SWEAR IT ON MY LIFE!!!
